(608)483-2107  
Instructor: Caron Malin  
Cell: (608)498-0778

August 15, 2013

To Whom It May Concern,

My name is Caron Malin and I have been the hunter education/ safety instructor at the Chaseburg Rod & Gun Club for the last 15 years. I have been a loyal volunteer instructor at the Chaseburg Rod & Gun Club because of their continued support. The board and the members are always generous with funding, the use of facilities and resources to the education program. This non-profit organization is truly invested in promoting youth outdoor activities as well as gun safety. Each calendar year the club sponsors two hunter safety courses by providing their facilities, ranges, firearms and a hands on field day. Our hunter safety program is well known because of the practical experiences beyond the classroom that they are able to provide. Our rifle, trap, pistol and black powder ranges are all open with equipment, ammunition and experienced volunteer staff for each of our hunter safety graduates. These positive experiences increase the outdoor, gun and hunter involvement in our area.

Beyond hunter safety the Chaseburg Rod & Gun Club supports our youth .22 program with instructors/ coaches, ammunition, guns, entry fees and a range to practice. Recently, they have collaborated with the Learn to Hunt program to sponsor a duck hunt along the Mississippi River. Their dedication to our youth is what will preserve marksmanship programs, gun safety, hunting and our second amendment rights.

If you have any questions or would like additional information please feel free to contact me.

Thank you,

Caron Malin
